

1/12/22.

Dear,

Honorable United States District
Magistrate Judge, I am Viola E Garcia
when I had gone before you back in 2019
you had told my Attorney Becerra
Juan Jose to see too, it that my property
would be released for the kids for
food and my personal paper work
Well Sr. Becerra never followed
through. to see that it got done.

My children came to visit and
went to Mission PD and the
Supervisor said that the investigator
was out of town. The Supervisor
himself could have signed off on it

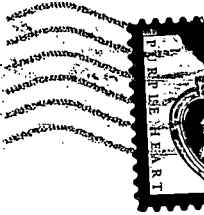

Well Sr. I am sending this to you
so that you know as of this date
they still have not released my
property. My new Attorney is Richard
Garcia (950) 682-9477 phone 5526 N 10th
McAllen Tx. 78501. My daughter's Address
is PO Box 2571 Bullhead City, Az. 86430

Please You Honorable Magistrate can
you have them send it to my Attorney
or to my daughter. Being that they
did come all the way from California

Thank You Sincerely
Viola E Garcia
